### NAUTILUS-E Industrial Scrubber

PowerBoss

)

Industry's Largest Electric Rider Scrubber
 8+ Hours of Runtime with a Single Charge
 90 Gallon Solution and 104 Gallon Recovery Tank Capacity
 55" Scrubbing Path

# NAUTILUS-E Industrial Scrubber

Front Wheel Steering and High Traction Tire Less slipping than conventional rear steer machines

**Stainless Steel** Scrubbing Deck The industry's only stainless steel scrub deck Versatile Standard Upright Forklift Battery Compartment Lithium Ion, Lead-Acid, Thin Plate Pure Lead (TPPL) acceptance 61 Å Weatherproof Steel Frame Agricultural grade E-coated construction

(height to top of overhead guard)

80.00"

**58.12"** (height to the top of the steering wheel)

**85.50"** (length)

**Productive** Clean a 9ft aisle in 2 passes (55" with side scrubbing brush)

**Safe** Eyes forward operator design, standard LED front and rear lights

**Efficient** Single pass scrubbing provides superior results

### Safety Features and Common Options

- Suspension seat with armrest
- Overhead guard, flashing light and front facing blue light (rear blue, back-up alarm and red side marking lights available)
- Easy access removable front hood
- Standard green one-touch all runction button
- Simple to empty and refill, full view 104 gallon recovery tanks

# NAUTILUS-E Industrial Scrubber 🗲

The PowerBoss Nautilus-E is the most productive and cost effective option when moving from internal combustion to battery power. The average cost is \$2.87 to fully charge Lithium Ion battery for 8+ hours of continuous operation.
